“ Your mother lived across from my mom East Of Bloomfield Mom and her became very close. My mother's name was Christina Arthur. Lillian would know when mom was alright if she opened her curtains, if curtains weren't open your mom would call her or come over to make sure she was alright. My mother passed in 1996. My sister and I took a apple pie container and give to your mom. She was so pleased. So sorry for your loss. She was a lovely lady..

“ Lillian was such a blessing in our church family. She would weekly ask about our children and was interested in their lives. She sent letters to my daughter Cassidy when she and her husband (army) were living in Georgia. It meant a great deal. Lillian always supported our youth events either by attending or by donating. We are very grateful for her kindness and Christian service.

“ Hi Marilyn: This is Linda (Dayhoff) Campbell. I want to say I'm sorry you have lost your mom. I didn't know she was at Glenburn. I should talk to Mary Ruth Green more, she would have told me! I always loved being around your mom and dad when we were growing up. Our families spent a lot of time together. My dad passed in April 2019 and Mom in June 2020. They were both 93. Neither had COVID. They were able to stay at home until they passed.
I tried to call a number I had for you, but it's not valid anymore. Would love to get together to catch up. You could message me on Facebook for call 812-381-5054.
May God bless.
Linda
