“ *Lois is my grandma she was the best grandmother ever. she was super helpful with all of the activity's I did like 4-H and boy scouts. she would work hours on cupcakes and cakes with me just to help me prepare for fare. she also loved my rabbits and chickens sometimes after shows I would bring my animals with me and show her some of the new ones I had gotten. She was also a grate help to my mother when my mom kneeded it after she got a devorce like when my mom kneed money for something or needed someone to help watch me and my brother. She loved her hummingbirds when me and chandler would go over she was out all morning feeding them more than once a day. I love my grandma and miss her very much but I will also cherish her and all of the memories of her in my hart.*
