“ I am so sorry to finally hear about my Cousin Lois's passing. With a family as large as the Pittsley family, sometimes it is hard to contact everyone. My Dad Robert and Lois's Mom were Sister and Brother. My mother (Eleanor) who kept up on it seems all the family passed away in 2011. I remember so many good times that our family spent with Lois's family growing up. We would travel from Coeur d'Alene, Idaho to Keene, ND every year or so to enjoy family and help on the farm. Lois and I were almost the same age (months apart) and kept close in our years growing up. Alias, as we became adults, we seemed to have lost touch with a lot of the cousins and we moved and spent time raising our own family. I have found over the years that we have not kept in contact with a lot of our family. I went to North Dakota to reconnect with cousins in 2017 and missed being able to contact some of our cousins (including Lois). My prayers for the family and my regret that I missed contacting some of my cousins.
