“ Remembering Berthada as a friend of my own mother and several others in the Ridgeport Ladies Club who met frequently in the 1930's. How I enjoyed listening to all of them speak of current neighborhood events, share recipes, housekeeping hints, and good advice for children in attendance. Lasting appreciation.

“ You will be missed Granny! Thank you for treating me as one of your own. Some of my best memories are the dinners you and Kay made for the shop workers. A few of them have preceded you on this journey. Sending my love, Marcy
