“ Aunt Lorene was very kind. I always loved seeing her beautiful flowers in the yard when she lived close to my parents.

I remember her and a couple of her sisters visiting us in Colorado. She loved the mountains and was thrilled to be here. We all shared so many laughs while we toured and shopped and ate.

She came to my sister's and my rescue one time while we were visiting our parents and the well ran out of water on "the farm".

My prayers go out to Barry and Kyle and their families as well as her siblings. May you feel God's embrace during these difficult times.

“ Barry, Kyle, Nelli, Ron, Nancy and Dolly:
I'm so sorry for your loss. Lorene was a kind
and beautiful person inside and out. As a little
girl I remember her when visiting the family,
and I admired her beautiful high heels, she
had many Remembering our choir days at the Bloomfield
Pentecostal Church and I was always so fascinated how she played
the piano. Later as an adult when I lived with my parents, I would
see her and Ben daily as my Mom babysat for Barry. She always
had a smile on her face. I'm so sorry she has gone through so many
health struggles in recent years. May she rest in peace as she joins
her loved ones in Heaven. I can't attend the funeral but sending
condolences and prayers for the loved ones she left behind. God
bless. Gayle (Helms) Gedrich
