“ *I took an instant shine to Lou Ellen the very moment I met her. Not
only because of the fact that she was a star-burst of love and
energy - immediately accepting me into her family - but because I
began to see an embodiment of all the great qualities of the people I
previously knew, loved and admired originated from: Matt, Marty,
Chuck, etc. I am truly saddened by the news of her passing. I am
honored to call her my friend as well as my family. I will miss her
hugs greatly. My heart and deepest sympathies go out to you all.*
