“ Morrie,
I could not get to the funeral home.
Your mother was always so happy and made the room better when she was there. We used to have lunch with her at the Lighthouse Lunch Box.

She was good and kind and will be missed. Count yourself lucky you had her.

I am always a telephone call away.

“ aunt louise you will be greatly missed. I remember you telling us
about you and Uncle Delbert coming to Odon for the fish sandwiches.
After uncle Delbert passed on, then Ron began to bring you a fish
sandwich to our Haywood reunions. Ron will not be able to bring
you anymore fish sandwiches from the odon tavern, how you loved
it each time he bought them to you. You were always a strong lady.
have pictures of Linda and I sitting in chairs in your front yard, and
dad an uncle Delbert out there with us in some of the pictures i
guess trying to corral us from getting into mischief (lol) Always loved
the big trees in your yard when we came to visit.
R.I.P. Now you are with uncle delbert and derald what a great
reunion. Wonderful memories of you.

“ Dear Morrie and Linda,
My deepest condolences to you both on the loss of your mother. Your family was the first family we met..you had a wonderful welcoming gathering for us when we arrived in the summer of 1971, and Louise was so generous and warm...and always remained through the years after Dad retired and they decided to stay in Bloomfield. Morrie, I so appreciate that we are slife long friends-- even when we go for years without speaking and I know you must be sad to lose your mom. She passed at the same age as both of my parents, and that's a good long life..and, I still miss them. Loving thoughts your way. Beth
