“ Lowell was one of the finest men I have ever known. He enriched my life by his personality and good nature. I always looked up to Lowell as a man to "live respected and die regretted."

He was a true hero. He came home from the war, went to work, raised his family, and was a good citizen all without fanfare. He taught by example. He really was from the "Greatest Generation." Sadly we are losing our heroes.

To Jewel, Karen, and family may God be of comfort and strength now and in the day to come. I will miss him too.

“ So very sorry to read this but know that Lowell had a wonderful life. He and Jewell were fixtures in our church and daughter, Karen, was a role model for me. May he be at peace.
