“ *As newcomers to the area 1979 The Ray family blessed many commuters to Crane and Bloomington with their gas station. Before the highway road expansion updates it was a journey from the rural areas. His kind disposition heirloom*

“ *I am so saddened to learn of Marcus passing. He was my father in law for a time and such a wonderful man in my life. He was always so caring and thoughtful. Had a lot of good jokes and kept a smile on my face. I will miss him dearly. I give my love to Deb and I pray for the family in this difficult time. Rest in peace Marcus you will be missed. 💕💕*

“ *I moved to Greene County in 81, and he had just what I needed many times since. I opened my shop a mile or so up the road in 2006 and he started stopping in fairly regularly, either to talk mechanics, get a part, give me something he thought I could use, or just shoot the bull. Whichever, it was always interesting and a good few minutes. I retired my shop almost 4 years ago, and sadly I hadn't seen him since. Definitely a part of what I miss. RIP friend.*

Condolences to the entire Ray family. Marcus had a good heart and was a caring individual. In my 25 years in the Bloomington area, Marcus became a "true" friend. Fond memories of many "Fast Friday" gatherings at IMS. Rest easy my friend !
