“ Louise and Harry were great neighbors. I loved to talk with them at church. Such kind and loving people who loved the Lord Jesus with all their hearts. To be absent from the body, she is with her Jesus now!

“ Mom and I would sit for hours at the kitchen bar always playing her favorite card game rummy. I would get great joy when I actually beat her, which was rare. Setting on mom and dad's front porch swing, relaxing and making small talk, really miss those days. Love and miss you mom and dad

“ She was a good neighbor. She taught me about persimmons and pudding. Harry taught our young sons about rain and electric fences. Lol They most likely teaching Jesus about stubborn cattle.
