“ I just stumbled onto the fact that Marie passed away in June while searching Hardinsburg Cemetery records. I'm planning a trip to Hardinsburg the beginning of September and had given thought to visiting Charles and Marie. Marie's cousin, Geneva Davis Medhurst passed away Monday, July 27th. I think they were the closest in age to each other in the Davis/Peters families. I remember our last visit when I took Aunt Genny to Indiana nine years ago and we had dinner with Charles & Marie and Shirley Peters. I still remember the apple pie she fixed. My thoughts are with all of you and hope good memories sustain you during this time. I have good memories of when we would visit Hardinsburg and when your folks would come out to Illinois. “ Charles Farmer & family:

Just read about the passing of Marie - am truly sorry about your loss. She was a good person and always treated us very nice. I used to clean her house for her back in the 60's. Our daughters (Marietta & Marci) would sometimes come with me and spent time with Pam. I saw in the write up that Pam lives in Colorado. We spent 27 years in Morrison (a suburb of Denver). You will truly miss Marie - our prayers are with you.

“ Geoff, your mother and father were held in such high regard by my family. Charlie and Marie attended both of my parents' funerals, and I was so happy to see them there.

“ *I can't begin to tell you how special of a lady Marie was in my life. No matter what time you stopped by to see the Farmers they were always eating, and if you ever left Marie's house hungry it was your own fault. Charlie always said that during his time in the service that Marie sent him a lot of letters and was pretty aggressive in her pursuit of him, but as he put it he wound up with a jewel. Marie was definitely a jewel to all that had the privileged to know her, and I was fortunate to have known her my whole life. Thanks for all of the great meals and life lessons over the last 38 years. You will always be loved and missed.*

“ Marie was a kind and gentle person that always made me feel good when I was around her. I thought so very much of her. To Charlie and the family, I pray God comfort you in this time.

When David, in the Bible, lost his son, he said, "He can't come to me, but I can go to him."

Until that day we all meet again, God bless all of you that mourn her passing.

“ So many good memories of Marie that I do not know where to start. From the chocolate mayo cakes, red velvet cakes and black walnut cakes to her sweet smile that always made you think twice. That first pair of walking shoes that she gave many of our children. She was my oldest son's very first babysitter.

Charlie, Pam, Geoff and families, you were all blessed to have such a wonderful wife, mother and grandmother and, we were all blessed to have known her. My thoughts and prayers are with you all.

And Marie... "turn the radio on."
