“ *Sue treated me like one of her own boys. She (and her family) gave me a home when I needed a place to stay, and she prepared some of the best meals I've ever tasted. I'll always remember her humorous wit and loving personality. I'm grateful to have known her and thankful for her encouragement and inspiration. I'm saddened by her passing and I'll miss visiting with her when I'm home in Indiana and I'll miss her annual Christmas card, but I'm happy knowing she is rejoicing in heaven today.*

“ We would like to extend our deepest sympathy. We know it is a very difficult time when you lose someone you loved so much. It has been 3 years since Carrie's dad passed away and 8 months since Mike's mom passed away. We miss them every day, but it does get easier with time. Carrie will always remember talking to "Sneaky Snake" on the CB. She was a very special person. You are in our thoughts and prayers.
