“ *When I was younger, you hired me to take care of his watermelons patch, so many weeds. You even let me take you 1953 red Mercury to school, I was one cool dude. You were a wonderful friend, you will be truly missed by family and friends. When I was in the military, you and Carolyn took care of my two children when I had to go to Thailand (Vietnam) for one year. It takes a great person to except two more children in your home. I truly thank you for that. God Bless You, may God give you a special place next to him.*

“ My memories of fish sandwiches, elephant ears, attending 5th grade while living with yall for a year, going camping, picking beans and cutting my toe in the process, hurting my nose in dads car accident, driving Billy's car across the freshly white painted lines on the road, talking to anyone who would listen... my dear Uncle Tuffy, you will be greatly missed.
