“ *Autumn Rain*

Do not stand at my grave and weep. I am not there, I do not sleep. I am a thousand winds that blow, I am the diamond glints upon the snow. I am the sunlight on ripened grain, I am the gentle autumn rain. When you awaken in the morning's hush, I am that swift uplifting rush of quiet birds in circled flight. I am the soft star that shines at night. Do not stand at my grave and cry, I am not there, I did not die.
