“ *I will miss you grandma, but I know grandpa was the first one to greet you in heaven and Granny & Pampy and Jim & Janice were right by his side. I cry tears....but God will show me the light of happiness. I love and miss you.*

“ *My memories of Mary are of a happy person, a loving mother, and a caring friend to others.*

I will forever remember the slumber parties Cathy and I had and her watching with Mom as we had so much fun roller skating. Not all children are blessed with such loving parents as we were.

Susie and Cathy - My thoughts and prayers are with you during this time and for the years to come. It is so difficult to give up a parent, but their memories are a part of us that will live on forever.

*Love,
Eva Jean*

“ Sorry to hear about your mother. I was at the funeral home with Aunt Kate when you saw Connie & Linda. I would have loved to have seen you. It has been years since I have seen Cathy.
