“ Dear Eugene, Wendell, Jim and Rhonda: I'm so sorry to hear about Mary's passing. She was always a kind and loving mother. I have many fond memories of playing scrabble, cards and croquet. I planned on coming to her funeral today, but I'm not going to make it. I've been sick for two days now. I've struggled and tried to push myself this morning, but my body is still saying no. Please know that I'm with you, in spirit right now and that I love you all. I'll continue to pray for comfort for each of you. Love Dianna

“ Offering my sincere condolences to Wendell, Eugene, Jim & Rhonda, and grandkids. I knew Mary Lou only a short time as her daughter in-law, and in my mind she was a saint. There was nothing she would not do for anyone, and I will always have happy memories of my time spent with her. I can still remember her telling me some of her old folklore and myths about gardening, and she was very patient with a daughter in-law who knew nothing about gardening. My wish is for the family to cherish the memories that you have of your wife, mother and grandmother, and know that she is in her final resting place in Heaven where she belongs :)
