“ I am so very sorry for the loss of this wonderful woman and mother, grandmother, great grandmother, and great great grandmother! She had such a sweet spirit and a great sense of humor. One of my best memories of Helen, is that I had won 2 tickets for the Phil Harris, Jimmy Dean, and Roy Clark show in Linton, Indiana by guessing a number from Walmart. I had no intention of going, so I called Helen and asked if she would like the tickets. She was pleased to get them and took one of her friends and told me she had a good time. She will be greatly missed!

“ *What fond memories I have of Ms. Sowers.....While I was a young girl, working after school for another custodian, Ms. Sowers would always encourage me and tell me how important it was to learn good work habits early. Every now and then she would bring homemade cookies and share them with my brother and me. What a very sweet memory. My deepest sympathy to her Herman and her family.*

“Helen, Mom2 and Grandma Helen to my boys. What a wonderful person to so many people. You will be so missed. I will always remember your beautiful smile and sparkly blue eyes. I love you so much but I know you are in a much better place and I'm sure you had plenty of family and friends to welcome you with open arms into heaven. May God be with your amazing family and all your friends who are missing and grieving you.

“ I loved Helen like my own mother. My best friend's Mom was my mom. I know even though she always kept that big smile on her always optimistic face, she hasn't felt well for some time. I bet she was privately wishing she was with the Lord. So I'm very happy right now for her. My sorrow is for my friends, her family. They will miss her simply being there for a while, and I hurt for them so. Wanda, Mary, Dave, Cathy, Herman, Fred, MaryAnn, and all of those around her that learned from her to spread that contagious smile she had for all of her children. Miss you all and so wish I could be there to give you all a hug, my extended family.
