“ Spending the night at Grandma's house was awesome! Chicago's pizza and Dilly bars oh and watching the Cubs (not a fan) but I was a fan of watching baseball with her.

“ Mary Frances and my Mom (Mae Carter) would be doing the family wash and the kids In Owensburg would gather at the baseball field by the school to play ball. If we were short players, Jack would say let's get our Moms. They would shut off their washing machines and play ball with us.

Sorry for your loss.

“ I was Mary's caregiver from comfort keepers. Mary was so very kind and sweet to me. I enjoyed our time together. We had fun talking about IU. So now every time I watch a IU home game I look for her brother Jim at the score board. We would take walks down the hall way, and she always had to have one of her hats on! she loved her hats. I went to see her a couple of times when she moved to Bell Trace, she seemed to like it there. I will miss her. Rest in peace Mary. Now you can see the world!!
