“ Mavis was a beautiful person -- such a great mom and grandma. I met her over 40 years ago when her daughter Rita and I became best friends and pen pals. There are so many precious memories that include a tons of laughter. She was bright, creatively talented and spunky. Words cannot convey how very sorry I am for your loss. May you find peace in your memories of her, knowing she is with your father/grandpa and that you will be reunited one day in Heaven, never to say good-bye again. I love you all.

“ When my mother passed away, Evelyn Hostettler, I found a very small Xmas Ornament that Mavis had made and given to her. Each Christmas, I place this tiny little house in my window and remember the times that they knew each other. I am so sorry for your loss. My heart and prayers are with the family.
