“ *Jordan Family;
Sending my condolences to you all! Lots of memories of Max and the extended family. Remember him on the Roudebush Family Farm as our insurance agent and friend. Jordan & Vaught Insurance was my softball team sponsor. I babysat Tiera, Tiffany and Timi Jo (can't believe I survived! LOL) as well as the Skinner children a few times. I had 4H initiation at Judy and Ron's house. When I moved to Indy and bought my first car I still used Jordan & Vaught Insurance for several years. Tiera and I went to massage therapy school together. Joe was my neighbor for several years. Remember Janie working at the high school. What an awesome family. May you treasure your fondest memories and they help guide you through your sorrow and phases of grief. Thought and prayers are with you all! 🙏*

“ *Max was a good friend. Our conversations in the back office will be missed--we usually solved the world's problems...for thirty minutes or so.*

Best Max memory: he always warned us to "close the windows for a couple days" before spreading turkey manure on our shared hay field--still brings a smile to think about it!

A life well lived--you will be missed, Max.

“ *Judy,*

Prayers for comfort and strength during this difficult time. Your faith in God and the loving support of others will help to carry you through the grief. I never got to meet your dad but I'm guessing that your giving nature and work ethic were a result of his influence. Love to you and your family.

“ To all of Max’s family,

So very sorry to read of Max’s passing.

Max was someone you just always expected to be around. He was part of the scenery as we traversed the road from Mineral City to Bloomfield. I traveled, before Covid-19, that road before daylight headed to work. He was always already up and at the barn as I went by. We would meet him sometimes in his truck, sometimes on the tractor, sometimes on his mower. He was a busy man. Gib always enjoyed their ‘chats’ when they would meet at the grocery. We had many years of friendship which will not be forgotten.

He will be missed by many. May God’s angels sit on your shoulders and give you comfort that only he can.

The only man that I have known to cut and split wood in his 90s. He always said "There is always something to do". He was a great neighbor and friend, like the rest of his family that we are blessed to be surrounded by.
