“ So sorry to hear of the passing of Melinda. We worked together at Crane and I always enjoyed working with her and talking to her. She always had a smile for everyone. One thing I remember about Melinda was she loved to bake her own bread and would often bring her goodies to work to share with others. She told me she had started baking at a young age and won many ribbons at the fair. She not only made her own bread but she also made her own cinnamon rolls, hamburger buns, and hot dog buns! I wish I had that kind of talent!!! Carolyn Hay

“ I have many fond memories of the niece I loved so very much- Melinda. I remember the little girl who liked pretty dresses and marmalade on bread. I remember the lovely adult who lived her life on her own terms. My love to Randy and Anita and their families. Aunt Judy
