“ Michelle, Judy, Amber & Family:
I'm so very, very sorry for your loss. Keeping you all in thoughts and prayers during this difficult time of sorrow and grief. May your cherished memories live on forever and help you reflect and heal through your loss. Many, many memories from your house, make me smile and laugh. One of Mike that I will never forget; is him wrapping rubberbands around the remote so that it would not slide off of his belly or the recliner, that way he could always find it. What a character, LOL! 💜🙏💕
