“ *The world lost a wonderful man, coach, mentor, teacher, father, and friend. Terrell was not just a Volleyball Coach, for many of us he was a life coach. He was very important to me. He taught me things about myself that I didn't even know existed, like courage, confidence, and resilience. He always had our best interest at heart. He had many wins on the court but many more in the hearts of his players. There will never be another like him. Many many years ago he took a job as a volleyball coach but ended as a legend. You will be missed but never forgotten. 💔 RIPMRT*
