“ My condolences to Mikie's family. I also worked with Mikie at the Mental Health Center and we had much fun together. Getting to work with her was the best part of the job. She will be missed.

“ *I was so sorry to learn of Mikie's death. I worked with her at the Mental Health Center. She was always such fun to be around. She always had a smile and a good joke to share. Even though it has been many years now, if you would run into each other once every 10 years it was just like old times. My sympathies are with the family.*
