“ No matter how long it was in between times I saw Mike, he never forgot my name. He would always come up from behind, slap me on the back (nearly knocking me over) and say "Hey Nathan!!" But the best thing I remember about Mike is after baseball practice Mike would hit a few into the outfield and say, "I really smashed that one Jerry!!"

“ Jane I remember when you and Mike would come to Hasler oil, and Mike would always say "Keith, put that on my bill." Then he would always ask me depending on the time of year how my crops were doing, and if I had bought a semi yet. Then he would tell me about hauling Pioneer seed in a Kenworth semi. He was a fine individual, and he will be greatly missed.

We always teased him if he had on a red and black shirt that we finally got him to be a T-Bird. He would tell us no that was not going to happen. “ Mike ~
We love you so much. I'm going to miss hearing you tell me that I need to "Call Grandma." You have touched more people's lives in your short 34 years than many of us can hope to touch in a lifetime. It doesn't seem fair that you were taken away so soon.

I remember that summer I watched you and Suebee would come over. She and I taught you how to give the "finger". (Which was really the index finger, lol, but you thought it was right!)

I'm sorry that as we've grown up our family didn't get to spend time together like we used to. You meant more to me than you know. I always loved getting those big bear hugs.

Peace. Now you can hang out with Uncle John again. Watch out for us down here.

Love Always, Your cousin.... Tammi & Devin
