“ I was very saddened to learn of Mid Martindale's death. My first recollections of Mid were of my working with her in the Little League concessions stand at Eastern Elementary School. She and Betty Price taught me all I know about candy and snow cone sales and making change for items purchased. That was like 56-58 years ago.

Every encounter with this sweet lady over all those years was always enjoyable, delightful, rewarding, inspiring. She will always have a special place in my heart. My sincere condolences to Larry, Rob and Stan and their extended families. I know what a special place she held for each of her family members. Love and Prayers.
