“Mildred was a very special person. Her kindness, love, and watchful eye protected and provided guidance for many of us in our youth at the old neighborhood. She and Ray took time from their vacation to Texas in 1968 to visit me while I was completing basic training. Their words of encouragement and friendly faces eased the loneliness and homesickness. I will never forget their generosity.

“What a special person she was. When I was a kid she and Ray treated Marla and I as if we were their own grandchildren. We loved them! Mildred was definately a guardian angel in my life. My thoughts and prayers are with your family.
