“ I have many fond memories of Miles, Glenora, and the boys/men. One in particular has remained etched in my mind and my heart. My brother Vernon Ray and I were staying with them while our mother was very ill in the hospital. I was given my very own bedroom and bathroom . I felt like a queen even though I was only seven years old. And I loved Glenora's peanut butter fudge. Everyone thought it was too hard but I thought it was perfect. Never could eat peanut butter fudge again unless it was hard. I've never ever forgotten the kindness and the love we felt during a very difficult time in our lives. Sending prayers and love to all you. Frieda Ann Skinner Faulk

“ *What a legacy of Christian faith has been left for us by our Skinner family! I can picture the gathering celebration of those who welcome Miles into the presence of our Lord. As the song says, "It's shoutin' time in Heaven!"*

*I well remember, when attending Sharkey Church, the frequency of the prayer petitions Miles sent out for family. He was a dedicated prayer warrior.*

*We have been truly and wonderfully blessed!*
