

## Monte Wayne McIntosh

March 17, 1948 - April 12, 2015

Monte Wayne McIntosh, Bloomfield, left this life to be with God, Sunday, April 13, 2015.

He was a strong Christian who through his actions, set an example of living in Christian faith.

He was a lover of life and was never afraid to try something new.

Devoted husband of nearly 48 years, to Sue McIntosh, he was rarely found in public without his wife by his side.

He was an avid outdoorsman who enjoyed all of the beauty and bounty that nature had to offer. He loved hunting any game bird and fishing and spent many days in the field, woods and on the water all across the country doing what he loved with friends and family.

Throughout his life, he tried and succeeded at many things. He was likely most skilled at woodworking and carpentry. He was an artist who used wood as his medium. Unknown to most, he was also a poet and has penned many, unpublished poems. He was an automobile enthusiast and had a great appreciation for a nicely restored auto. He was a farmer, a realtor, and was often called upon as a towing service on Rubber Tree Road. He and his wife

Sue were Jr Prom sponsors for many years and it is suspected that he enjoyed attending these proms in an effort to teach others his unique dancing style.

He worked for many years for the United States Department of Agriculture in the Agricultural Stabilization and Conservation Service (ASCS) in the Greene County Office.

Monte was most well known as a Teacher. He taught for 7 years at L&M High School before spending the next 33 years at Bloomfield School District where he taught Industrial Arts and Family Living. During his time at Bloomfield, he was also a Track, Cross Country and Golf coach.

He Graduated from L&M High school in 1966 and Indiana State University with a BA in Teaching and a MA in Industrial Arts in 1971.

He was a Father to Jeff (Tina), Monica James (Brian), and April Patterson (Tanner). He was a Grandfather to Maia, Web and Georgia McIntosh, Brady Anderson, Connor and Brison James, Blaine, Maddisen, Layne, and Zayne Patterson.

He was a brother to Tom McIntosh (Laura), Bob McIntosh (Mandy), Karen Burnett (Mike) and Kenny McIntosh (Kathy).

He was preceded in Death by his father Wayne and his mother Oaklene.

He was an example to all and a mentor and good friend to many.

He will be greatly missed and wonderfully remembered by all who were ever touched by him in some way...

Services will be conducted at 1:00 p.m. on Thursday, April 16, 2015 at the Tulip Church of God in Bloomfield, with Pastor Jeff Rockey officiating. Interment will follow in Walnut Grove cemetery in rural Bloomfield.

Public Visitation will be held from 4 to 8 p.m. on Wednesday and from 11:00 a.m. until the hour of services on Thursday at the Tulip Church of God. Jenkins Funeral Home in Bloomfield is in charge of arrangements.

The Family asks that all memorial contributions be made to the Tulip Church of God.

“ I felt like the wind had been knocked out of me when I received Monica's call that her Dad had passed away. I have so many fond memories of spending time with Monte, his family and our mutual friends during my tenure in Indiana with the Indiana DNR. Our shared hunting trips with Roger and William and numerous early morning stops to the McIntosh household for Sue's biscuits and gravy are permanently etched in my mind. I still view Jeff, Monica and April as the children that I knew back then. I know they are all grown and have families of their own and know how much Monte treasured his time with them. The genuine love shared in their family was a real Christian testimony to everyone who knew them.

Everyone has good intentions of keeping up with old friends when they move, but then gradually drift away as time and miles separate them. One of my biggest regrets is not keeping up with the McIntosh's. Monte was one of those once in a lifetime friends that deserved much better.

I know that he will be greatly missed by his friends and family, but also know that he accepted his last few years as God's will and was able to be a testimony through his suffering by God's grace.

I pray for God's grace in the coming days and months for Sue and children and all the family including Tom, Bob and Kenny.

*i love you guys.*

“ I am sorry for the void that will be in your lives in Monte's absence. I know he will be missed immensely. He was an awesome example to so many. He shared some of his poems with me...this was a great inspiration to many students! (An awesome mentor and male teacher that also wrote poetry? Wonderful!) Words can't begin to describe the man he was...mentor, friend, example, soft-spoken leader, coach, Christian, etc. I'm honored and humbled to be among the many that shared time with Monte at BHS. Remembering...RIP.

“ *We read about Monte's death in the paper. We knew that Monte was having health problems, but were surprised at his death. I have known Monte since his birth. I used to stop and see him and Oaklene on my way to school. Norma and I wish the best for his family. We get down in Indiana most years, but I haven't seen anyone except Oaklene and Wayne in a long time. Best wishes to the family. Sincerely, Norma and Dewayne Cooper PS. I gave Monte a silver dollar a long time ago. I wonder if he still has it?*

“ *Dear McIntosh Family,  
How you all loved this man, who was so much a part of your lives and has now left this void for you to grieve in. Time will allow that process to be played out and then the smiles of happy remembrances will also mix with the tears of grief until you can lift your heads to move on as he would want you to.  
May the Lord uphold you and give you peace in knowing that Monte is in the safe and secure presence of Our Lord Jesus Christ with a new and healed body.

“ Monte McIntosh will be missed in so many ways by the youth who looked up to him and were his students. He was a Godly man who was there for my Zackery when he was grieving the loss of a stepdad, and was a solid influence and beacon of God's love to him until graduation. I praise God for Monte and the influence and love he showed to not only my son, but all those he taught. What he's seeing now has to be phenomenal and we will see him again in due time. So hard to come to terms with but we are told, we are like a vapor, but we will be with God forever, Amen. Nita King-Scarff.

“ Dear Sue, Jeff, Monica and April,  
Steve and I extend our condolences to you at the death of you husband and father. Your dad was a wonderful friend to our family. More like an Uncle, than Dad's friend. He was gentle, always sincere and we enjoyed his smile that extended to the twinkle in his eyes. Steve and I remember his coming to minister to our family when my mother, Judy Baird, was ill with pancreatic cancer. He sat in the waiting room on the 2nd floor of the IU Med Center sharing the way of salvation to any of us that wanted to become a believer of Jesus Christ. We have precious memories of your husband, and father. We uplift your family in prayer during these days and in the months and days to come as you adjust to this great loss in your family.

With sincerity and love,
