“ My condolences to Nancy's family and close friends on their loss. I hadn't seen Nancy for several years, but remember fondly working together at Crane for a short time. Those of us who knew her, knew a lady with at smart, kind nature, devoted to her family, and that is all one can ask of a person.

“ Michael, I am so saddened to hear of your loss. Nancy was such a special person. I consider myself fortunate to have been a classmate of Nancy's. I have fond memories of when her, you, my wife and I "double dated". Christmas, 1970, while I was serving on the bitter cold DMZ between North and South Korea, I received a warm neck scarf as a Christmas present from Nancy - I still have it. That is just one small example of how thoughtful and kind Nancy was. Like I said, Nancy was a special person and she will be missed by many, many people. Mike Baines

“ *I had the wonderful privilege of serving as Nancy's pastor for 13 years at First Baptist Bloomfield. She was so devoted to Christ and to her church and was a great blessing to me in my ministry there. Nancy was a pioneer in her help with the development of the Bright Beginnings Preschool and Daycare - one of the most significant ministry endeavors we tackled during my time in Bloomfield. She was the leader of the Bright Beginnings board for several years and helped guide that mission from launch into full-throttle, full speed ahead! How many hundreds of children have been blessed by being a part of Bright Beginnings? How many folks have served there as employees and volunteers? I am so grateful that Nancy was such a faithful partner and friend in the ministry at FBC. Our prayers are with all the family for the journey forward. Rev. “ When I returned from New Mexico with my mother, Fern Hash Corbin for the 8th grade in 1961, I knew no one in Bloomfield. Nancy was one of the first who welcomed me and I knew Bloomfield was going to be a great place to grow up. I was lucky enough to have five years at Bloomfield and Nancy and I actually tied in a vote by our Senior class for being the funniest girl in the Class of '65! They must have been joking as both of us were so very serious! Just joking! Nancy was always such great fun and a very good friend to everyone in our class. Senior year was especially exciting and we all enjoyed working on our yearbook together! Nancy, we're going to miss your constant, cheerful smile and we send our condolences to your family and to the rest of our classmates who miss you, too. Charlotte Corbin Barnes

“ So many memories of Nancy as we played together in Bloomfield. I used to tease her about her hatred of bugs. She used to cringe when I showed her a worm. We spent a lot a days hanging outside sledding and building snow creatures. I loved riding in her convertible to one of our class reunions as we spoke of the good ole days. We were the best of friends in elementary. I am so sorry for Nancy's family loss. It deeply saddens me that I will not see her again.
