“ *I worked with Nancy and Betty at Bloomfield State Bank. I was in high school, at Eastern, and it was my very first job. Nancy trained me. She was kind, patient and funny. Everyone who came into the bank knew Nancy and she always acknowledged and spoke to them. I have very fond memories of my co-workers at BSB and my first working experience. I've often thought of Nancy and should have made more of an effort to stop in and say hello. May she rest in peace. My prayers and thoughts are with you all.*

“ *I worked with Nancy for 14 years. I considered her a friend as well as a co-worker. I would just like to say "I'm sorry for your loss, Dee and Kim." I am also sorry that I put off going to visit Nancy because I was "just too busy". Now I won't have the chance. Rest in Heaven, Nancy!*
