“ I know im a little late. I just found this out while searching online for my old friend Nate. We were good friends around the years of 1998 through 2002 or so before i moved. We met though car shows and Uso car club. We hit it off because we had the same kind of car. I remember spending time with him and his dad setting up the 64 (mostly at Indianapolis lowrider shows). I know it was hard on Nate when his father passed... i came up to Bloomfield from where i lived in KY a few times to hang out with him. Kinda lost touch with him a little bit after that. Im sad to hear this, Nate was a really good guy. Rest in peace my friend.
