“ *I am sorry that Tom and I could not make it to the funeral service for Annie. We remember her with fondness and humor. Annie taught us how to butcher chickens long ago. We picked lots of blueberries in Blueberry Valley and listened to Annie's stories and her laughter. She loved walking the woods and hunting mushrooms. She said some wonderful prayers on Christmas Eve at Old Clifty Church. She and Ronnie were fine caretakers of Old Clifty and its legacy. We were lucky to have them as neighbors in Greene County. Best wishes to Gina and her family. Gina, you should see how nice the church looks.*
