“ Sheilah, Jordan and everyone in Nick's family: We are so sorry for the loss of your son/brother. We know that there's no way to understand why this happened and how dark these last weeks have seemed. I hope that your faith and belief in God will comfort you and give you the strength for each day. I also hope that you will see Nick again someday in heaven. "Memories Hold Those We've Loved Forever In Our Hearts." We're here if you need us for anything. Do your best to hang in there, I know you've already had several difficult weeks and these next few days will be just as rough, if not rougher. I hope God will give you just a little more strength to make it through.

“ Tiny Angels Tiny Angels rest your wings sit with me for awhile. How I long to hold your hand, And see your tender smile. Tiny Angel, look at me, I want this image clear.... That I will forget your precious face Is my biggest fear. Tiny Angel can you tell me, Why you have gone away? You weren't here for very long.... Why is it, you couldn't stay? Tiny Angel shook his head, "These things I do not know.... But I do know that you love me, And that I love you so".
Our thoughts and prayers are with your family.No more pain just wings of glory. RIP sweet little nick.
