“ Dickie, so sorry to hear about Norma Jean's passing. Your mother will be missed. She was a special person to me and loved by those who knew her. I worked with her at the court house before going to Crane and worked with your Dad. You had terrific parents.

“ Norm was like a mother to me. Throughout our many years of close friendship I fondly referred to her as “Flap”...she talked a lot. I have many fond memories of our times and visits together. One thing for sure about Norm is... when she loved, it was never lukewarm. She loved her family and spoke about them with love and devotion and overflowing with pride. She loved me. I loved her. I am so blessed to have spent time with her at the hospital during her last days. I'll miss her deeply until we meet again. My sincere sympathies to the family...you have lost a real gem.
