“ It was so sad to hear of Dale’s passing. When I was growing up Dale and Dolly were an inspiration to many young Christians as they demonstrated their faith by the lifestyle they lived. I haven’t been around them for quite some time but I will always remember Dale, a smile on his face, making others smile, taking part in church and being a devoted Christian man as well as a devoted husband and father. Having crossed paths in the early days of my life was truly a life time blessing. May God bless and comfort his family today. 🙏🙏🙏

“ We were saddened to learn of the loss of your loved one. He and his family are a part of my cherished childhood memories. I guess the best part of those memories is the times that we spent in church. As we mature and go through life, we often lose contact of friends, but memories linger. In later years it was a pleasure to see the beautiful home place maintained by the hard work of Dale and Dolly for several years. Though so many that loved him will miss him, we pray that the promise of everlasting life will ease the pain. Our prayers, thoughts and love are extended to each of you. Sincerely.
