“ It’s impossible for me to express the love and gratitude in my heart for Pat and the entire Edwards family. I was a train wreck of a broken boy of eleven years old when I was placed in my aunt Betty and uncle Ivans home in Lyons. This was the beginning of my healing from the abuse I knew up until then. I can see Gods hand in surrounding me with amazing people in that wonderful little town. I met my best friend, my brother by choice, Rick Edwards that first summer. The entire Edwards family accepted me as one of their own and were instrumental in shaping me into the man I am today. I will forever be grateful for the many-many meals Pat provided in her efforts to “fatten-me-up” and the unconditional motherly love I felt from day one. Fly high dearest Pat and I’ll see you soon.

With love,
KJ Brown
