“ *Connie and Family, as you know, Pat was one of a kind. I have been her insurance agent for 19 years. But, more importantly, we were friends. I've picked her up and she has ridden with me if I had to go take photos out of town. We would have lunch and share some good stories. I will miss her cards at Christmas, her phone calls, and her spunk. God bless all of you as you face this difficult time*
