“ We are so sorry for the loss of your loved one. She was loved by many. Phyllis was our neighbor...forever. At least until she could no longer stay in her home. She has been missed and that will continue. We loved to hear her sing and I can imagine that the angels have a new choir member. The ones that she loved are in our prayers and we extend our sincere condolences. Bill & Pat Sharr

“ We are so sorry for the loss that her passing brings to you girls and family. I know you all take comfort in knowing she’s at peace and with Jesus. No more pain, suffering and dealing with the evil disease of Diabetes because it’s a destructive thing for the body. May God bring you comfort during this difficult time. Sending love and hugs to you all
