“ I have loved you ever since I was born, we've laughed, cried, played, prayed together. A bond not all brothers and sisters have. We been there when times were tough, when they were good, even sad as someone else closed their eyes in the death of family and friends. Sis I love you from the depths of my heart. There is sadness in the ones left behind for our loss however, their is rejoicing for you have gone on to your reward. I'll meet you when I make that transition or when I go in the rapture. Until then know your youngest brother loved Sophie and Phyllis always. I found out Sophie is the name I called you when I was a little child.Love Larry.
