“ I first meet Rae Della in the 80's she was very sweet and kind to me always. She had asked me to come to work for her in the voter registration when she was taking the stained glass classes she made me a very pretty item that hangs in my kitchen window so I see it every day. She had a kind soul and I will miss her.

“ Robin and Amber, So very sorry to read of the passing of your Mother. She was a very kind and sweet lady. She gave me a job in the Recorder's Office in 2006. I enjoyed working for her and with her during the time she was Recorder. We just talked a few months ago about when we would retire. Both of us were worried the most about paying for insurance once we retired. I am so sad that she didn't get to enjoy her retirement. Hope it helps to know that I was very fond of her and for you both to know that I care.
