“ Missy and Family:

I am so sorry to hear of Randy's passing. Having worked along side of him while at Haworth, I definitely got to appreciate his kindness, work ethic, and sense of humor. He was just a really good guy! I always marveled at his relationships at Indiana University. He certainly knew his way around campus and was always greeted warmly by the IU staff. They truly respected him and appreciated his support. Randy always had a smile on his face! He will definitely be missed for never forgotten.

God Bless,
