“ *THE BROKEN CHAIN* We little knew that morning that God was going to call your name, In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone, For part of us went with you, the day God called you home. You left us peaceful memories, your love is still our guide, And though we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same, But as God calls us one by one, the chain will link again. --Author Unknown

“ God bless Randy's family. I'm sorry you have this great loss. Randy was a brother to me at Crane and a great blessing. His kindness was his strength. He always thought of others, even when he was in pain. Even at the Mayo clinic he was also upbeat and caring -- always considering what's best for others. I have wonderful memories of Randy and while I love this life I'll enjoy seeing him again in the next! When 9-11 happened Randy and I were e-mailing each other and he told me about it. When I was in Afghanistan he lifted my spirits in tough times. He loved lighthouses -- fitting because his light shined brightly. He lived a noble and loving life. He was like the Lightkeeper in "The Little Prince" book, living his life to serve others with love! Now Randy is in God's loving arms and his pain is over. I miss you Randy!! I still have the Boyd's Bear & Friends you and others gave me when I left Crane for Germany. I see it everyday in my office and think of you, remembering blessings you gave me -- and still do!

“ *I hadn't seen Randy in years, but, I wanted you all to know what an inspiration he was. For Randy to have lived his life with humor & love while battling his many health problems is amazing. I have nephritis & may, someday address similar health issues. Just knowing that he was able to have quality of life has helped me to know I can go on whatever comes my way.*

“ *In the short time I knew Randy he touched my life and my heart. I will never be the same after knowing such a beautiful person. When I visited him at his desk, I always felt a warm glow about him and he made you feel so comfortable even though you hardly knew him.*

I loved how he never said a bad word about anyone and only found the best in everyone. He was such a joy to be around. He just made you feel good all over.

He always knew everyones name and never forgot a face. He was just one of those people that God put on earth to show everyone how they should treat others.

His message to all of us was to enjoy and make the most of our short time on earth and to realize our health is our most valuable gift.

I hope my words will comfort his family members somehow because he was a remarkable man.

He touched so many lives I'm sure he must have been an Angel in waiting.

“Randy was an amazing person. I never ceased to be in awe at how pleasant, kind and helpful he ALWAYS was, even though much of the time he was feeling so badly. He will truly be missed. I pray for the loving arms of Jesus to be around each of those who loved him so dearly, just as they are wrapped around Randy right now. God Bless and His peace be with you.
