“ Glad I got to see you and Grace before your jenruoy. And glad she's gotten along with Clifford, Olive and Rosie. Even though she knocked down my fence, she's a really good girl and you're going to have a great companion. Wish I could go .love you.

“ John and Curtis,  
I don't know if you remember me, but we played together in grade school when you live on Main Street in Bloomfield.  
John was in my First Grade Class with Mrs Sapp.  
I am sorry for your loss. I have thought of both of you many times through the years.  
God bless you.
