“ Dear Family, I will miss Ray very much. He was such an asset to NDE, there were days that he could pull his hair out when I would meet with him after school to learn Technology. He still listened to me and always checked back with me to make sure I comprehended what he told me...he always smiled when I said I got it by Ray. He was not just a tech here for me he was a friend that I will deeply miss. My heartfelt sympathy is sent your way daily as you say your goodbye's and always. In His Great Love, Millee
