“ So sorry for your loss. I have some very early childhood memories of Heno and also have some pictures of him with my dad, Raymond Hancock (his cousin) in Korea. Before mom passed, she often asked about him, but I did not know where he was. When I was very young, about 5 or 6, he always asked me to make him a raw potato and tomato salad with salt and lots of pepper. Don't know if he particularly liked it or if it was the only thing he knew I could prepare.
