“*Mrs. Street was an amazing woman! She is the reason I went to college to become a teacher. She was so kind to me & believed in me when I had her in first grade. I knew from that time on I wanted to be a teacher just like her! So sorry for the family's loss!*

“*Reba, (Mrs. Street) was my supervising master teacher when I completed practice teaching in first grade at Bloomfield. She shared her teaching skills and a great caring for children. Reba had a terrific sense of humor and I enjoyed getting to know her. She will be missed and many of her former students will remember her fondly as the one who "taught them to read". Cindy Moody*

“ My Dear Aunt Reba, we know you are in a better place but it doesn't make it any easier. We will always remember your warm hugs and your deep laughs. We will never forget all the special times we had together. Gymnastics in the front room with the girls, spending the nights, going to church with you, playing hide and go seek at the house, holidays, lunches, dinners, playing games and the piano... we could go on and on. We always knew that when we came to visit Grandpa Milo and Grandma Rosie that you would be the first one to come to visit us and almost always be the last to leave. We are so thankful that we have fond memories of you and for that we will be forever thankful. Thank you for being the light in our lives that we were able to share with our children. We are thankful that our children (Ethan, Rilynn and Cooper) were able to know you as well. We thank you for giving us a bond with our cousins at a young age that we will also hold near to our hearts! We will never forget you. Please tell Grandpa Milo hello for us❤️. Love, Shara & Wesley

“ Sorry to hear of your loss. The last time I saw her she was at Walmart buying school supplies to be donated to those students who could not afford them. Once a teacher always a teacher. She was very caring person. Kay Sullivan
