“ I am so sorry for your loss of such an amazing woman. Rhoda was my friend and cousin. I truly am blessed to have known her through Facebook and to see the love she had for her family. You don't see many families that had the love you all shared. I'm am truly blessed to have known her and having gotten to know parts of my extended family. Love, hugs and prayers go out to you all. Your love for one another will carry you through.
