“ I knew Rich in Colorado. He was a sharp and interesting guy. A real gentleman and a marvelous conversationalist. My condolences to his family of whom he spoke fondly. He is missed.

“ I had so many great memories with Rich! So many of the the things I enjoy today like movies and music was influenced by him. We were inseparable for so many years. One of the best friends I ever had. His mom,dad,brothers,sisters,nephews all treated me like family. I have reflected on my time with him so much this week. I'll miss him greatly.
God Bless...

“ *Will miss discussing books with Richie (never could get the hang of calling him "Rich"). Those conversations were too late in coming and too few in number. Glad we got to grab a sandwich at Dagwood's before we both left the state. Him going West. Me going North. Hope he's beating Kevin, Matt and Earl at Battle Bottle in the Great Whatever After.*
