“ From: Kate Steininger Sorry I can't be with you today. My most favorite memory of Dick is - he was in about second grade and he wore his knee high boots most everyday - outside to play no matter the weather-summer, winter, whatever. He usually had a big stick. We would play house - draw the "floor plan" in the dirt with sticks. Of course, he was the father but I was the mother telling him what to do! Love to all.
